

# Monoton

And One

Boring drive - my Monoton life  
Everlasting dreams - outbursting screams

(Monoton Monoton) nothing receives - everything flies  
(Monoton Monoton) nothing receives - everything flies

My Monoton drive - my Monoton drive - drive, drive, drive

Permanent erection - no straight perfection  
My disappear - nothing, nothing but fear

(Monoton Monoton) nothing receives - everything flies  
(Monoton Monoton) nothing receives - everything flies
