Sex drive, slut ahead She's waiting for the moment on the water bed Sex drive, the night is near It feels like home but something's going wrong here

'Cause I am home alone, there's nothing to moan Pop, pop, flying over your head now 'Cause I am home alone there's nothing to moan Pop pop, flying over your head now

Sex drive, slut ahead
She's waiting for the moment on the water bed
Sex drive, the night is near
It feels like home but something's going wrong here

'Cause I am home alone there's nothing to moan Pop, pop, flying over your head now 'Cause I am home alone there's nothing to moan Pop, pop, flying over your head now

Flying over your head now

'Cause I am home alone, there's nothing to moan Pop, pop, flying over your head now 'Cause I am home alone there's nothing to moan Pop pop, flying over your head now

'Cause I am home alone, there's nothing to moan Pop, pop, flying over your head now 'Cause I am home alone there's nothing to moan Pop pop, flying over your head now

Flying over your head now Flying over your head now
