

I Hope You're Proud

And Then I Turned Seven

It hurts so much to see you with him
I can't begin, and now I long
Just for a kiss, it's you I miss
Why can't you try to see that
I am you, and you are me
But you've moved on
And now I'm gone, goodbye
Someday I will too
I don't need you and I
Cause this is life
You raped my mind
And tore my heart
I hope your proud
I'm now unblind
A fresh new start
What to do now
Why can't you try to see that
I am you, and you are me
But you've moved on
And now I'm gone, goodbye
Someday I will too
I don't need you and I
Cause this is life
Make the pain go away, go away for me
Make the pain go away, go away for me
