

# Tints

Anderson .Paak

[Verse 1: Anderson .Paak]

I been feelin' kinda cooped up, cooped up  
I'm tryna get some fresh air  
Hey, why you got the roof off, roof off?  
You know it never rains here  
Hey, you ain't gotta flash when you takin' your picture  
You ain't gotta draw no extra attention  
Paparazzi wanna shoot ya, shoot ya  
Niggas dyin' for less, I hear

[Pre-Chorus: Anderson .Paak]

I been in my bag, adding weight  
Tryna throw a bag in a safe  
Giggin', tourin', chorin', raisin' babies  
Baby Milo wants some Bathing Apes  
Niggas crying for less out here  
Do what I gotta do bruh, do bruh  
Get up in my rear view mirror

[Chorus: Anderson .Paak]

I can't be ridin' round and round that open strip  
I need tints (Windows tinted)  
I need tints (I need my windows tinted)  
I can't be flying down that 110 with a bad bitch in my whip  
I need tints (Windows tinted)  
I need tints (I need my windows tinted)

And it's no good for me, it's so good for them  
I need tints (Windows tinted)  
I need tints (I need my windows tinted)  
I got way too much to lose, so roll your window up real quick  
I need tints (Windows tinted)  
I need tints (I need my windows tinted)

[Verse 2: Kendrick Lamar]

You probably think a nigga trollin' (Like)  
Or showin' out for the cameras (Right)  
Fuck I'm doin' fish-bowlin'? ('Side)  
One hunnid thou' on the passenger  
Bitch, I'm Kendrick Lamar, respect me from afar  
I was made in His image, you call me a god  
Everybody in attendance, I'm about to perform  
Everybody get offended by the shit I got on  
Like, can you buy that, nigga?  
Nine hundred horse, can you drive that, nigga?  
A G5, can you fly that, nigga?  
I need tints so I can look at the snakes and posers  
(I need tint) 'Cause bomb head is non-disclosure  
(I need tint) So I can live with a peace of mind  
Without niggas takin' a piece of mine  
And peace be still and not do fines, so fuck a fix-it ticket  
You pull me over and might see one of your bitches, ahh!

[Chorus: Anderson .Paak]

Ridin' round and round that open strip  
I need tints (Windows tinted)  
I need tints (I need my windows tinted)

I can't be flying down that 110 with a bad bitch in my whip  
I need tints (Windows tinted)  
I need tints (I need my windows tinted)

And it's no good for me, it's so good for them  
I need tints (Windows tinted)  
I need tints (I need my windows tinted)  
I got way too much to lose, so roll your window up real quick  
I need tints (Windows tinted)  
I need tints (I need my windows tinted)

[Verse 3: Anderson .Paak]

You know I like it presidential (Presidential)  
Stretch it out, that's a limo (That's a limo)  
Pull it over, let me get behind ya ('Hind ya)  
Where we goin', they don't need to know (Don't need to know)  
Ghost ridin' in the Phantom (In the Phantom?)  
Niggas never see me comin' (Uh, superstar)  
She wanna hold me like a ransom (Uh, bitch, I don't know you)  
But the money keep me runnin' (Uh, but the money)

[Pre-Chorus: Anderson .Paak]

I been in my bag, adding weight  
Tryna throw a bag in a safe  
Giggin', tourin', chorin', raisin' babies  
Baby Milo wants some Bathing Apes  
Niggas crying for less out here  
Do what I gotta do bruh, do bruh  
Get up in my rear view mirror

[Chorus: Anderson .Paak]

Ridin' round and round that open strip  
I need tints (Windows tinted)  
I need tints (I need my windows tinted)  
I can't be flying down that 110 with a bad bitch in my whip  
I need tints (Windows tinted)  
I need tints (I need my windows tinted)

And it's no good for me, it's so good for them  
I need tints (Windows tinted)  
I need tints (I need my windows tinted)  
I got way too much to lose, so roll your window up real quick  
I need tints (Windows tinted)  
I need tints (I need my windows tinted)

[Outro: Anderson .Paak & Tayla Parx]

I, I think I'm 'bout to black out  
Can't see me when I act out tonight  
I got some moves I gotta make though  
Who got the goons up on the payroll?  
They won't see me coming  
They won't see me coming, no

I, I think I'm 'bout to black out  
Can't see me when I act out tonight  
I got some moves I gotta make though  
Who got the goons up on the payroll?  
They won't see me coming  
They won't see me coming
