## Come in from the Rain

Take my money, take my pride Take my little piece of mind It's alright Lead me to a better life Where I'm loved and where I'm wise It's alright Now I can see your signs of change I did not believe Oh Lord Let me come in from the rain Never gonna be the same Oh Lord Let me come in from the rain Never gonna lie again Never wanna lie to you I did not believe If I just could turn back time I would chose another prime For my life Hear me praying for a chance I lay my fate into your hands And it's alright Now I discern your signs of changes I did not believe Oh Lord Let me come in from the rain Never gonna be the same Never gonna be that fool Oh Lord Let me come in from the rain Never gonna lie again Never wanna lie to you I did not believe
