

## Lose Yourself

Andra Day

His palms are sweaty, knees weak, arms are heavy  
There's vomit on his sweater already, mom's spaghetti  
He's nervous, but on the surface he looks calm and ready to drop bombs,  
s,

But he keeps on forgetting what he wrote down,  
The whole crowd goes so loud  
He opens his mouth, but the words won't come out  
He's choking how, everybody's joking now  
The clock's run out, time's up over, bloah!  
Snap back to reality, oh there goes gravity  
Oh, there goes Rabbit, he choked  
He's so mad, but he won't give up that  
Easy, no  
He won't have it, he knows his whole back's to these ropes  
It don't matter, he's dope  
He knows that, but he's broke  
He's so stagnant, he knows  
When he goes back to his mobile home, that's when it's  
Back to the lab again, yo  
This whole rhapsody  
He better go capture this moment and hope it don't pass him

You better lose yourself, all in the music  
The moment you own it  
You better lose yourself, all in the music  
The moment you own it  
Before it's gone

The soul's escaping, through this hole that is gaping  
This world is mine for the taking  
Make me king, as we move toward a new world order  
A normal life is boring, but superstardom's close to post mortem  
It only grows harder, only grows hotter  
He blows us all over these hoes is all on him  
Coast to coast shows, he's known as the globetrotter  
Lonely roads, God only knows  
He's grown farther from home, he's no father  
He goes home and barely knows his own daughter  
But hold your nose 'cause here goes the cold water  
His hoes don't want him no more, he's cold product  
They moved on to the next schmoe who flows  
He nose dove and sold nada  
So the soap opera is told and unfolds  
I suppose it's old partner but the beat goes on  
Da da dum da dum da da
