

# Don't Despair

Andre Matos

Before the rays of light  
Into a fading bright  
Riled up by such a thrill again  
I just keep still, don't move  
The reason can't improve  
A scene unfolding in my mind

Into the light I'm falling  
Nobody turns to hear cries  
Climbing the highest peak of pain  
A reason to stay?

Can't stand the pressure of  
The pleasures that I bought  
They promised I'd be free someday!!  
They told me: "Don't despair"  
But then now who'd expect  
A phantom shadowing my nights

Into the nightmare, running  
Somebody, please, set me right  
Offer some kindness, no domain  
A reason to stay

Oh, waiting for the sun  
No wonder why our lives  
Were waiting just to run  
Don't need you by my side to  
hang together on the ropes  
Won't you get out of the way?  
I've got to go!

Before the coming fight  
You need to stay alive  
Riled up by such a thrill again!

Into the nightmare, running  
Somebody, please, set me right  
Offer some kindness, no domain  
A reason to stay

Oh, just waiting for the sun  
No wonder why our lives  
Were waiting just to run  
Don't need you by my side  
to tell me it's alright, no more...  
Won't you get out of the way?  
Oh, waiting for the sun...  
From this day on, I'm freed forevermore  
Don't need you by my side to  
hang together on the ropes  
Come on, get out of the way  
I've got to go!!!
