Yeah
Its frisco's finest
And see it as a privilege when quipto rhymin
If ya (look in my eyes) you can see that they slanted
My sly samarai chopp you down with a hatchet
You can (look at me) and see Q in the flesh
Just boss like rammy moss boy and move to the west
You can (look in my eyes) andyou can tell where they rest
We blessed, the best weed goin straight to your chest
C'mon (look at me) as a real mc, just know that I'm explosive l
ike tnt
'cause you can (look in my eyes) and they like red as the sea
But still I stay two steps ahead of your freaks
Just (look at me) I'm still standing here living proof
A fuckin' interview,
