

Lay that body down
Let me see that pussy
Don't push me
Wouldn't go round and round
Let me see that pussy
Don't push me
I really like the way you get down
Let me see that pussy
Don't push me
We could play it safe and sound
Let me see that pussy
Don't push me

I'm stuck up in the club
Lookin' hella shy
Seen as ten ta morsel
And the chronic
Goin rub dub dub
OOH

The bar's to the left
Tonight and I'm not standin
Can i have a handle
Sayin

And he caught my eye
Lookin hella fly
And the motherfucker knew
That'd we'd be meetin at a later time
Slip me them digits
You know I'm straight up down wit it
I'm into pimpin, hustles, caddies, daddies
Roll wit it

Or is it cool
To hook up witchu late
Now creepin
Sneakin on the under
Thats what I'm always creepin
You don't like the apparatus

You got that kitty cat clearance
So come get the cakes
I don't see nothin wrong
With a little bump and grind
So drop low on the line
Any fuckin time
Don't havin time to rewind lately
Freakin you likebrothers

Let me see that pussy
Don't push me
Wouldn't go round and round

So when you knock up at
The round front door
You better come on in
Cuz the shit don't go
Drop the gold and hit the heena
To the room on right behind ya
Slap you on your ass
Your shit looks luscious from this angle
Lickin on your body

Rockin motherfuckers with these big black cheeks
Climb up on my titties like they mountain peaks
