

# Cuando Me Enamoro

Andrea Bocelli

Cuando me enamoro  
Doy toda me vida  
A quién se enamora de mi  
Y no existe nadie  
Que pueda alejarme  
De lo que yo siento por ti

Dicen que no saber  
Buscarte flores  
Que no podré ofrecerte  
Ningún regalo

Dicen que yo he sufrido  
De mal de amores  
Y que mi corazón  
No se ha curado

La mia ragazza sa che non   vero  
La mia ragazza sa che quando

Quando m'innamoro  
Io do tutto il bene  
A chi   immamorato di me  
E non c'  nessuno  
Che mi pu  cambiare  
Che mi pu  staccare da lei

Cuando me enamoro  
Doy toda me vida  
A quién se enamora de mi  
Y no existe nadie  
Que pueda alejarme  
De lo que yo siento por ti

A chi mi dice vivi  
Un altro giorno  
Todos comprender n  
Que cuando

Cuando me enamoro  
Doy toda me vida  
A quién se enamora de mi  
E non c'  nessuno  
Che mi pu  cambiare  
Che mi pu  staccare da lei

Quando m'innamoro  
Io do tutto il bene  
A chi   immamorato di me  
Y no existe nadie  
Que pueda alejarme  
De lo que yo siento por ti

English translation:  
When I'm In Love

When I fall in love

I give my whole life  
To the one who falls in love with me  
And there's no one  
who with the power to dispel  
what I feel for you

They say that I won't know  
To look for flowers for you  
That I won't be able to offer  
Any gift

They say that I have suffered  
Of bad loves  
And that my heart  
has not healed yet

My girlfriend knows that it's not true  
My girlfriend knows that when -

When I'm in love  
I give everything good  
To the one who's in love with me  
And there's no one  
Who can change me  
Who can take me from her

When I fall in love  
I give my whole life  
To the one who falls in love with me  
And there's no one  
who with the power to dispel  
what I feel for you

To the one who says live  
another day  
Everybody will understand  
That when

When I fall in love  
I give my whole life  
To the one who falls in love with me  
And there's no one  
Who can change me  
Who can take me from her

When I'm in love  
I give everything good  
To the one who's in love with me  
And there's no one  
who with the power to dispel  
what I feel for you
