

Return To Love

Andrea Bocelli

Quand'è che spento il cuore?
Che ho smesso di sognare
Un nuovo amore?
Il dubbio dentro me
E ho smesso di sperare
Ma a un tratto, tu

Risvegli nel profondo
Un fuoco che mi accende

I'll return to love and risk it all
Per regalarti un mondo
And I'll return to love and resterò
Per costruire un sogno
One more time

Who cares about the past?
Who knows about tomorrow?
L'amore è adesso
And maybe this won't last
Maybe this moment's all we have
Let's find out

And though I'm still afraid
You're worth a leap of faith

I'll return to love and risk it all
To see the world that we make
I'll return to love and take the fall
As if my heart cannot break
One more time

Here and now, up against the edge
Promise me you won't look down
Won't fall off the ledge
Take my hand and show me how to love again

And I'll return to love and risk it all
Per regalarti un mondo
And I'll return to love and take the fall
Per costruire ancora
One more time
