

## Keep It Up Longer

Andrea True Connection

I want your love  
I need your love

I can stop those there on the street  
All those pigeons kiss my feet, yeah  
Keep it a little bit stronger

Keep it up longer, baby  
Keep it a little bit stronger  
Keep it up longer, baby  
Keep your loving stronger

Keep your loving stronger

I want your love  
I need your love

I can stop those there on the street  
All those pigeons kiss my feet, yeah

Keep it up longer, baby  
Keep it a bit stronger  
Keep it up longer, baby  
Keep it a bit stronger

Keep it a little bit stronger  
Oh, won't you keep it up longer?  
Keep it a little bit stronger  
Won't you keep it up longer?

I want love  
Need your love
