Andrew Allen

I know this guy  
He's crazy for his girl  
And he says  
She's everything, his whole wide world  
And I know  
They've got something deep inside  
'Cause he's got nothing to hide

And this guy  
Says she laughs away the years  
Oh, but she cries  
Those every sort of every kind of tears  
And I know  
It's love, that sweet, sweet love  
And you see, 'cause this is what he said to me

Oh her eyes  
They bubble like a sweet champagne  
And her lies  
They tell me that it's sunny when I know it's gonna rain  
And nothing in the world could ever ruin her  
The only thing I wish I could change is that I woulda met her sooner

Well this guy  
Says he doesn't even care  
When those other guys  
Decide to stop and stare  
And he said  
I wouldn't doubt it that they like what they see  
And Besides, my girl is staring back at me

And she says  
That she likes it when he's there  
Oh And he knows  
She coulda had a millionaire  
Oh But it's love, that love, that sweet, sweet love  
And you see  
'Cause this is what he said to me

Oh her eyes  
They bubble like a sweet champagne  
And her lies  
They tell me that it's sunny when I know it's gonna rain  
And nothing in the world could ever ruin her  
The only thing I wish I could change is that I woulda met her sooner

You got to hold on  
You got to hold out for me...  
'Cause later's better if never is all we'd be...  
We're waiting on...  
We're waiting on time, time, time  
Oh oh  
So will you hold on?  
Will you hold out for me?  
'Cause life is better, now that you're here with me  
We're taking our...  
We're taking our time, time, time

For you and me...

'Cause her eyes  
They bubble like a sweet champagne  
And her lies  
They tell me that it's sunny when I know it's gonna rain  
And nothing in the world could ever ruin her  
The only thing I wish I could change

Oh, her eyes  
They bubble like a sweet champagne  
And her lies  
They tell me that it's sunny when I know it's gonna rain  
And nothing in the world could ever ruin her  
The only thing I wish I could change is that I woulda met her sooner

Yeah, I woulda met her sooner

Woah oh yeah

Woulda met her sooner

Oh oh oh oh
