

## Caravan

Andrew Bird

Night  
And stars above that shine so bright  
The mystery of that fading light  
That shines upon our caravan

Sleep  
Upon my shoulder as we creep  
Across the sand so I may keep  
This mystery of our caravan

Oh this is so exciting  
You are so inviting  
Here within my arms  
As we thrill to the magic charms

Of you  
My dream of love  
Is coming true  
Within our desert caravan
