

Ghost

Andrew Garcia

She was the one for me
Everything that I need, oh
God only knows I'm done
She messed around and now shes gone
I guess she couldn't see
What she had in front of her, of her,
A ghost, a ghost of what we were
(a gho,gho,ghost)

If you're not ready for love
I don't need your tears or damn hug
Girl you be playing
You know what I'm saying
That bullshit you be all the time
Pulling off dem tricks, all cause u wan some dick (hold up)
I don't mean to be rude, you think I'm one of these dudes
And that just ain't my shit

You think you got me twisted girl
Have everything your way
Just know this ain't your world
That I'm living in

She was the one for me
Everything that I need, oh
God only knows I'm done
She messed around and now shes gone
I guess she couldn't see
What she had in front of her, of her,
A ghost, a ghost of what we were
(a gho,gho,ghost)

If that's what you gonna choose
Baby go ahead u gonna lose
Lose out on me
Too blind to see
I was so down for you and anything
Anything u wanted baby
Anything u needed baby
Now u can call me
Cause I don't have a heart anymore

You think you got me twisted girl
Have everything your way
Just know this ain't your world
That I'm living in

She was the one for me
Everything that I need, oh
God only knows I'm done
She messed around and now she's gone
I guess she couldn't see
What she had in front of her, of her,
A ghost, a ghost of what we were
(a gho,gho,ghost)

Don't you go running back (girl no oh)

But your hand I wont hold (no more)
Cause I wont be for u
Cause you're so cold
I don't want you, don't want you

She was the one for me
Everything that I need, oh
God only knows I'm done
She messed around and now she's gone
I guess she couldn't see
What she had in front of her, of her,
A ghost of what we were

She was the one for me
Everything that I need, oh
God only knows I'm done
She messed around and now shes gone
I guess she couldn't see
What she had in front of her, of her,
A ghost, a ghost of what we were
A ghost of what we were
A ghost of what we were
