

Kids Of The Night

Andrew Garcia

Dark places, all races,
New faces, hearts racing,
Been through a lot, too hard to stop,
These are the dreams we're chasing,
Nocturnal but they start dying,
We're still trying, still trying,
To let go, to let go,

I got a life to live,
I got a lot to give,
Can't be caught in all this shit,
Breaking promises with no common sense,
I just want to be honest with myself,

I'm the one who's bringing me down,
Need to turn it around,
Need to turn it around,

We are kids of the night,
We run from the sun,
To keep the darkness from the light,
(Darkness from the light)
Depriving the answers for my questions,
Giving us appeals but no directions,
Blinded by everything,
Makes it hard to believe (to believe)

We are kids of the night, oh yeah,
We are kids of the night, oh yeah,
We are kids of the night,
We are, we are,

I don't remember what I did last night,
That white girl got me wasted,
I was out of sight,
(out of sight)

I'm still the one who keeps bringing me down,
Need to turn it around,
Need to turn it around,

We are kids of the night,
We run from the sun,
To keep the darkness from the light,
(Darkness from the light)
Depriving the answers for my questions,
Giving us appeals but no directions,
Blinded by everything,
Makes it hard to believe (to believe)

We are kids of the night,
We are kids of the night,
We are kids of the night,
We are kids of the night,

We are kids of the night,
(We are kids of the night)

We run from the sun,
(We are kids of the night)
To keep the darkness from the light,
(Darkness from the light)
Depriving the answers for my questions,
(We are kids of the night)
Giving us appeals but no directions,
(We are kids of the night)
Blinded by everything,
Makes it hard to believe,

We are kids of the night,
(We are kids of the night)
We run from the sun,
(We are kids of the night, oh yeah)
To keep the darkness from the light,
(We are kids of the night, oh yeah)
Depriving the answers for my questions,
(We are kids of the night)
Giving us appeals but no directions,
Lining it by everything,
(We are, we are)
Makes it hard to believe,
(We are kids of the night)
