

Halloween Party

Andrew Gold

Yeah! Hehe... Yeah, c'mon in! Yeah, that's right, here! We're havin'
a party!

(Halloween party)

That's right!

Everybody up and down the block

(Halloween party)

You're all dressed up with nowhere to rock

(Halloween party)

Even grumpy ghouls feel alright

If they can dance by the pumpkin light

So come on over to my Halloween party tonight

(Halloween party)

(Halloween party)

Gonna make some punch that looks blood red

(Halloween party)

Decorate the house with spider webs

(Halloween party)

Some eerie music will go just right

So we can howl at the bright moonlight

So come on over to my Halloween party tonight

(Halloween party)

Don't be scared

If the boogie man boogie

(Boogie man boogie)

Is a spooky affair

So come on over with me!

Dracula, Wolf Man, Frankenstein

Dead or alive, gonna have a good time

Come on over to my Halloween party tonight

(Halloween party)

So come on over to my Halloween party tonight!

(Halloween party)

(Halloween party)

C'mon get scary

(Halloween party)

C'mon get scary

(Halloween party)
