

It Must Be Halloween

Andrew Gold

The ghost says boo
The cat says meow
The goblins say trick or treat
It must be Halloween

The wolf howls
The wind blows
The witches laugh, hee, hee, hee
It must be Halloween

Skeletons may dance about
By jack 'o lanterns light
Spooks and monsters are all out
'Cause the moon is full tonight

The slime goes slurp, pop, splat

The ooze goes bubble hiccup
It's yucky but it's fun tonight
It must be Halloween

Skeletons may dance about
By jack 'o lanterns light
Spooks and monsters are all out
'Cause the moon is full tonight

The ghost says boo
The cat says meow
The goblins say trick or treat
It must be Halloween
