

Learning the Game

Andrew Gold

Hearts that are broken and love that's untrue

These go with learning the game

When you love her and she doesn't love you

You're only learning the game

When she says that you're the only one she'll ever love

Then you find that you are not the one she's thinking of

Feeling so sad and you're all alone and blue

You're only learning the game

Oh, oh, oh

Feeling so sad and you're all alone and blue

That's when you're learning the game

Hearts that are broken and love that's untrue

These go with learning the game

When you love her and she doesn't love you

You're only learning the game

When she says that you're the only one she'll ever love

Then you find that you are not the one she's thinking of

Feeling so sad and you're all alone and blue

That's when you're learning the game

Oh, you're only learning the game
