

## Looking for My Love

Andrew Gold

All on my own  
I am a single man  
Looking for a heart  
That I can understand

I'm looking for my love

I never really found out  
How hard it might be  
Ev'ryone before me  
Couldn't answer me, yeah

So I'm still looking for my love

Is she here or there?  
Is she anywhere  
Around my lonely heart?  
Well, I need to know  
Oh, how can I show  
How much I need a love?

Might be sleeping  
Might be waking  
It's with me all the time  
I can feel my aching heart

I'm looking for my love

Is she here or there?  
Is she anywhere  
Around my lonely heart?  
Well, I need to know  
Oh, how can I show  
How much I need a love?

All on my own  
I am a single man  
Looking for a heart  
That I can understand, yeah

Oh, I'm looking for my love  
Looking for my love  
Looking for my love
