

You Are Somewhere Within Me

Andrew Gold

You are listening
I wanna speak my mind
I'm just going by what I find
You are unsatisfied
You feel unsure
You are unsatisfied
Mmm—mmm

You are somewhere
Within me
You always get to where you wanted to be
You are all lovers
Because you wanna be
You are all lovers
Because you wanna be
Yeah

Ah-ah
Ah-ah

You are listening
I wanna speak my mind
I'm just going by what I find
You are unsatisfied
You feel unsure
You are unsatisfied
Oh yes, you are

Ah-ah
Ah-ah

Ah-ah
Ah-ah
