

Black Dog

Andrew Jackson Jihad

Black dog I see daily, nightly
Monthly, yearly, sweetly, dearly
She says, "when you pet me I feel neatly
Rub my paws please and scratch my belly"

In the evening I try songwriting
I'm self loathing, but I love singing
I'll try escaping these evil feelings
But they keep coming, they keep coming...

Can you guys sing this part?

You are my sunshine
My only sunshine
You make me happy
When skies are grey
You'll never know, dear
How much I love you
Please don't take my sunshine away
