

Bold With Fire

Andrew Jackson Jihad

I won't pay no mind
To the rhythm or the time
To all the hints and all the signs
No I won't pay no mind

And I won't lend a hand
To a woman or a man
Doesn't matter if I can
No I won't lend a hand

I stay just to run
And I run for my life
I must dig those graves
If I want to stay alive

I won't take no sides
Never argue or abide
Or vacillate and compromise
No I won't take no sides

I stay just to run
And I run for my life
I must dig those graves
If I want to stay alive

I stay just to run
And I run for my life
I must dig those graves
If I want to stay alive
