

# Fortune Teller

Andrew Jackson Jihad

Do you want me to read your fortune?  
'Cause I can, yes I can  
And I can put it in a language  
That you can understand  
It's no problem, it's no problem  
Just give me your hand  
Pay close attention  
It's all part of the plan

You're rich enough, you're famous enough  
You've got all the tools you need to survive  
You're rich enough, you're famous enough  
You've got love and you're alive

Do you want me to read your fortune?  
'Cause I can, yes I can  
And I can put it in a language  
That you can understand  
It's no problem, it's no problem  
Just give me your hand  
Pay close attention  
It's all part of the plan

You're rich enough, you're famous enough  
You've got all the tools you need to survive  
You're rich enough, you're famous enough  
You've got love and you're alive
