

Joe Arpaio Is A Punk

Andrew Jackson Jihad

Joe Arpaio is a chump
Joe Arpaio is a chump
He's never heard of the Constitution!

Joe Arpaio is a chump
Joe Arpaio is a chump
He's never heard of the Bill of Rights!

We've got the right to bear arms
We've got the right to assemble
We've got the right to due process
We've got the right to council

Joe Arpaio is a chump
Joe Arpaio is a chump
He's never heard of the Constitution!

Joe Arpaio is a chump
Joe Arpaio is a chump
He's never heard of the Bill of Rights!

No cruel and unusual punishment
And no unreasonable search and seizure
Plus, we've got freedom of speech
So I can say, I can say at my leisure that...

I've got somethin' to say
I killed Arpaio today
And it matters a whole lot to me
That that racist fuck is dead
