

Lady Liberty

Andrew Jackson Jihad

Give me your tired
Give me your tired
Give me your poor
When our government acts like this
I wonder what World War II was for
And the rest of the country hates us more and more
Lady Liberty is not a whore

Give me your tired
Give me your tired
Give me your poor
When our government acts like this
I don't wanna live here anymore
Sure, I could be a pussy and move to Portland or New York
Or I could stay and change the place where I was born

Give me your poor
Give me your poor
Give me your tired
These bigots in the legislature all need to get fired
For targeting one-third of the state they're supposed to serve
That's the kind of power that nobody deserves
Yeah, that's the kind of power nobody deserves

Give me your tired
Give me your tired
Give me your poor
When our government acts like this
I wonder what the Constitution's for
And the rest of the country hates us more and more
And more and more and more and more
Lady Liberty is not a whore
