I saw beauty spat in its eye  
I saw the light, and all it saw was my phlegm  
I witnessed greatness. I kicked its teeth in  
More teeth sprouted, just like the skull of a child

La, da-da, da-da-da-da-da-da-da, La-da-da-da-da da da da da  
La, da-da, da-da-da-da-da-da-da, La-da-da-da-da da da da da

Then it got personal  
I sunned my rage  
I just wanted to rage  
But all I got was tired  
I tried to walk to the building  
But the beauty, it brittled me  
I tried to talk to the waiter  
But the beauty, it gentled me  
I ran away from the security guard  
Because security guards dishearten me  
I said goodbye to my dignity  
Said goodbye to my dignity

Some days you're a member of Queen  
Other days you're a Kottonmouth King  
Some days you're Emilio Estevez  
Other days you're Charlie Sheen

Hope like a hole  
Tail between my legs  
Some kind of love  
Some kind of hate  
When I made my escape  
I found a nice hiding place  
It was warm and dark  
And it had teeth at the entrance  
Teeth at the entrance  
Teeth at the entrance to the  
Ca-a-a-a-a-a-a-a-a, a-a-a-a-a-a-ave  
La, da-da, da-da-da-da-da-da-da, La-da-da-da-da da da da da
