

Everything's Alright

Andrew Lloyd Webber

Mary Magdalene:

Try not to get worried
Try not to turn on to
Problems that upset you
oh, don't you know
Everything's alright yes
everything's fine

And we want you to sleep well tonight
Let the world turn without you tonight
If we try we'll get by so forget all about us tonight

Apostles' women:

Everything's alright yes everything's alright yes

Mary Magdalene:

Sleep and I shall soothe you,
calm you and anoint you
Myrrh for your hot forehead
and then you'll feel
Everything's alright yes
everything's fine
And it's cool and the ointment's sweet
For the fire in your head and feet
Close your eyes close your eyes and relax think of nothing tonight

Apostles' women:

Everything's alright yes everything's alright yes

Judas:

Woman your fine ointment -
brand new and expensive
Could have been saved for the poor

Why has it been wasted?
We could have raised maybe
Three hundred silver pieces or more

People who are hungry,
people who are starving
Matter more than your feet and hair

Mary Magdalene:

Try not to get worried,
Try not to turn on to
Problems that upset you
don't you know

Mary Magdalene and Apostles' women:

Everything's alright yes everything's alright yes

Jesus:

Surely you're not saying
we have the resources
To save the poor from their lot?

There will be poor always
pathetically struggling -
Look at the good things you've got!

Think! While you still have me
Move! While you still see me
You'll be lost you'll be so sorry when I'm gone

Mary Magdalene:
Sleep and I shall soothe you,
calm you and anoint you
Myrrh for your hot forehead
and then you'll feel
Everything's alright yes
everything's fine
And it's cool and the ointment's sweet
For the fire in your head and feet
Close your eyes close your eyes and relax think of nothing tonight

Apostles' women:
Close your eyes close your eyes and relax think of nothing tonight

Mary Magdalene:
Close your eyes close your eyes and relax

Everything is alright yes everything is alright yes
Everything is alright yes everything is alright yes
