

# You Must Love Me

Andrew Lloyd Webber

Where do we go from here?  
This isn't where we intended to be  
We had it all, you believed in me,  
I believed in you.  
Certainties disappear  
What do we do for our dream to survive?  
How do we keep all our passions alive,  
As we used to do?  
Deep in my heart I'm concealing  
Things that I'm longing to say,  
Scared to confess what I'm feeling,  
Frightened you'll slip away...  
You must love me...  
You must love me...  
(instrumental)  
Why are you at my side?  
How can I be any use to you now?  
Give me a chance, and I'll make you see  
How nothing has changed.  
Deep in my heart I'm concealing  
Things that I'm longing to say,  
Scared to confess what I'm feeling,  
Frightened you'll slip away...  
You must love me...  
You must love me...  
You must... love... me...
