

# My One Safe Place

Andrew Peterson

You're my oasis  
The eye of the hurricane  
One look at your face is  
All I need to remember my name  
So I run away home  
Yes, I run away home to you

I was an orphan  
Caught in a thunderstorm  
You opened the door and welcomed me  
Into your arms  
So I run away home  
Yes, I run away home to you

I believe in the love of the Father and  
I believe in the power of grace  
I believe that He brought us together and  
You are my one safe place

You are a fortress  
I am under siege  
You're a light in the forest  
I am a lost boy out in the trees  
So I run away home  
Yes, I run away home to you

Don't be scared, it's alright  
It's a weight you were not meant to shoulder  
But you bear so much light  
And it's brighter each day we get older  
And I know that you're broken too  
But you are a sacrament God has spoken through  
He's spoken through you

I am my beloved's  
My beloved is mine  
And the banner that hovers over us  
Is older than time  
So I run away home  
Yes, I run away home

I believe in the love of the Father and  
I believe in the power of grace  
I believe that He brought us together and  
You are my one safe place  
My one safe place  
My one safe place
