

The Theme of My Song

Andrew Peterson

Glory to Jesus!
Ancient and strong!
Giver of love!
And the theme of my song!
Glory to Jesus!
Ancient and strong!
Come to your people!
Carry us home!

Glory to Jesus!
Ancient and strong!
Giver of love!
And the theme of my song!
Glory to Jesus!
Ancient and strong!
(Deliver us) Come to your people!
Carry us home!

(Son of God) Glory to Jesus! (Deliver us)
Ancient and strong!
Giver of love! (Son of man)
And the theme of my song! (Gather us beneath Your wings tonight)
(Broken hearts) Glory to Jesus!
Ancient and strong!
Come to your people! (Behold our-)
Carry us home! (Broken hearts)

Glory to Jesus! (Deliver us)
Ancient and strong!
Giver of love! (Broken hearts)
And the theme of my song!
Glory to Jesus! (Son of God)
Ancient and strong! (Gather us beneath Your wings tonight)
Come to your people! (Son of man)
Carry us home!

Let your judgement passover us!
Passover us, passover us! (Behold our broken hearts)
Son of God!

So sing out with joy!
For the brave little boy!
Who was God, but He made Himself nothing!
Well, He gave up His pride!
And He came here to die like a man!

(Ohh) Now sing out with joy!
For the brave little boy!
Who was God, but He made Himself nothing!
'Cause He gave up His pride!
And He came here to die like a man!

So rejoice, ye children, sing!
And remember now His mercy!
And sing out with joy!
For the brave little Boy is our Savior!
Son of God!

Son of Man!

HalleluJah!

Sing HalleluJah!
