

# You Can Always Come Home

Andrew Peterson

I love you today and I love you tomorrow  
I love you as deep as the sea  
I love you in joy and I love you in sorrow  
You can always come home to me

There once was a man who found him a treasure  
Buried out under a tree  
He sold all he had just to own it forever  
The treasure is you, you see

I love you today and I love you tomorrow  
I love you as deep as the sea  
I love you in joy and I love you in sorrow  
You can always come home to me

There once were some sheep safe on the farm  
And one little lamb got loose  
The shepherd went out and carried it home  
That little lamb is you

I love you today and I love you tomorrow  
I love you as deep as the sea  
I love you in joy and I love you in sorrow  
You can always come home to me
