

Back To the Moment

Andrew Rayel

Oh!
I've Waited So Long
To Guide this Memory Home
It's Hard To Know it's Out of Fate Our Own
When Time Betrays Our Love

Oh!
I Feel Your Shadow
In Every Place i've Gone
You Know
i've Suffered All Alone
And i'm Counting Every Hour Leading Back To The Moment We

Touched
Where Too Much Is Never Enough
A Million Explosions Away
Can Find Out The Reason Where ...re Is A Way
To The Happenings Were Back To The Moment
We Touched

Back To The Moment

Back To The Moment

Oh Woah

Back To The Moment We Touched

Oh!

It's Such A Dark Road
But I Will Carry On
It's Hard To Know
If We Got Through The Hope
With Time Our Only Judge
And So
We've Gotta Stay Strong
Our Heart's Beating Like A Drum
I Know
We Agonise Alone
But Counting Every Hour
Leading Back To The Moment We

Touched
Where Too Much Is Never Enough
A Million Explosions Away
Can Find Out The Reason Where ...re Is A Way
To The Happenings Were Back To The Moment
We Touched

Back To The Moment
Back To The Moment

Oh Woah

Back To The Moment We Touched

Back To The Moment
Back To The Moment
Back To The Moment
Back To The Moment
