

Cool Ya (Nobody Loves You Like I Do)

Andrew Ripp

Up in the valley
Down on the mountain
(Cool cool cool ya)
Pray for a drop
And dance for a fountain
(Cool cool cool ya)
Falling daughters
Somewhere sons
Don't you know that you ain't alone

Nobody loves you like I do
Nobody loves you like I do
Nobody loves you like I do
Nobody, nobody

Up in the valley
Down on the mountain
Pray for a drop
And dance for a fountain
When your storm blows out
Just quit counting
Let the hallelujah roll right through
When the well runs dry
Let the river cool ya

(Cool cool cool ya)
Wilted flower
Wounded storm
Rest your weary in these arms
(Cool ya)

Nobody loves you like I do
Nobody loves you like I do
Nobody loves you like I do
Nobody, nobody

Up in the valley
Down on the mountain
Pray for a drop
And dance for a fountain
When your storm blows out
Just quit counting
Let the hallelujah roll right through ya

Up in the valley
Down on the mountain
Pray for a drop
And dance for a fountain
When your storm blows out
Just quit counting
Let the hallelujah roll right through ya
When the well runs dry
Let the river cool ya

Nobody loves you like I do
Nobody loves you like I do
Nobody loves you like I do

Nobody, nobody
Nobody, whoa, nobody's gonna
Cool, cool, cool ya
