

# For The Love Of God

Andrew Ripp

I saw mercy  
Mercy seated where the judge should be  
Was guilty  
Guilty and getting out of jail free  
How could it be I didn't get the life I deserved  
And the only thing that He wanted was my heart in return  
Every time I think about every time I thought was the end  
I'm caught up wonder again

Where would I be  
Where would I be  
If it wasn't for the love of God  
This song of victory is  
Now mine to sing  
Hallelujah for the love of God  
Has set me free

(Hallelujah  
Hallelujah for the love of God  
Hallelujah  
Hallelujah for the love of God)

I was thirsty  
But like a desert turning to a field of green  
Started breathing  
When heaven's favor took ahold of me  
How could it be I'm living with an infinite worth  
Cuz the one I thought I chose had really chosen me first  
Every time I think about every time I thought was the end  
I'm caught up wonder again

Where would I be  
Where would I be  
If it wasn't for the love of God  
This song of victory is  
Now mine to sing  
Hallelujah for the love of God  
Has set me free

(Hallelujah  
Hallelujah for the love of God  
Hallelujah  
Hallelujah for the love of God)

If it wasn't for my failures and mistakes  
I would never know the depths of this grace  
Now my heart is beating for heaven's sake  
And for the love of God  
And for the love of God  
If it wasn't for my failures and mistakes  
I would never know the depths of this grace  
Now my heart is beating for heaven's sake  
And for the love of God

Where would I be  
Where would I be  
If it wasn't for the love of God

This song of victory is  
Now mine to sing  
Hallelujah for the love of God  
Has set me free

(Hallelujah  
Hallelujah for the love of God  
Hallelujah  
Hallelujah for the love of God  
Hallelujah  
Hallelujah for the love of God  
Hallelujah  
Hallelujah for the love of God  
Hallelujah  
Hallelujah for the love of God  
Hallelujah  
Hallelujah for the love of God)
