

Tomorrow

Andrew Ripp

The sun will come out, tomorrow
Bet your bottom dollar
Tomorrow there'll be sun

Just thinking about tomorrow
Clears the cobwebs and the...
Sorrow 'til there's none

Stuck in a day
That's gray
And lonely
Just stick out my chin
Grin and say

The sun will come out tomorrow
Just gotta hang on until...
Tomorrow, come what may

Tomorrow tomorrow
I love you, tomorrow
You're only a day away

Stuck in a day
That's gray
And lonely
Just stick out my chin
Grin and say

The sun will come out tomorrow
Just gotta hang on until...
Tomorrow, come what may

Tomorrow tomorrow
I love you, tomorrow
You're always a day away
