

# Amuro Forever

Andrew W.K.

Amuro  
Don't turn around now  
That shining star  
Is too far beyond you

Amuro  
Your native planet..  
(It's your homeland.)

Can you remember now?  
Those childhood days gone by?  
You woke up with the morning sun,  
It was warm and alive and fun.

Amuro!  
Don't turn around, Amuro!

Big boys,  
don't you cry now.  
Don't you cry now.  
No, don't you cry now.

Just for tomorrow..  
For tomorrow..  
For forever.  
Amuro  
Don't turn around now.  
That twinkling star  
Is at the end of the universe.

Amuro  
Your abandoned planet.  
(It's your homeland.)

Never forget the vow  
of your childhood days gone by.  
Take an oath on your youth  
and swear to save peace  
for all of the things that you love!

Amuro!  
Don't turn around, Amuro!

Big boys,  
don't you whine now.  
Don't you whine now.  
No, don't you whine now.

Just for tomorrow..  
For tomorrow..  
For forever.

Can you remember now?  
Those childhood days gone by?  
You woke up with the morning sun,  
It was warm and alive and fun.

Amuro!  
Don't turn around, Amuro!

Big boys,  
don't you cry now.  
Don't you cry now.  
No, don't you cry now.

Just for tomorrow..  
For tomorrow..  
For forever.
