

Everybody's Raging

Andrew W.K.

(Woah Woah!)

I go to meetings
I go to shoots
I go to lunches with some men in black suits
I'm taking photos
They're taking notes
We take the red-eye and then transfer to boats
Down on location
Down on the set
Down in my trailer and I'm breaking a sweat
Only one thing
I want to do
I want to have a-rage-a-rage-a-rager with you

Everybody's raging
Everybody's raging
Everybody's raging
When it's time to rage we will rage-rage-rage-rage

Rage
Rage
Rage
Rage
Everybody's raging!

Rage
Rage
Rage
Rage
Everybody's raging!

(Woah Woah!)

We're going under
We're going down
We're gonna show them who's the talk of the town
You play some pinball
I'll play some keys
We'll eat some burgers with American cheese
What if we struggle?
Or if we shout?
I'll just remind you what our life is about
Only one thing
I want to do
I want to have a-rage-a-rage-a-rager with you

Everybody's raging
Everybody's raging
Everybody's raging
When it's time to rage we will rage-rage-rage-rage

Rage
Rage
Rage
Rage
Everybody's raging!

Rage
Rage
Rage
Rage
Everybody's raging!
