Long Live the Party

Andrew W.K.

I want to have a party You cannont kill the party You cannont kill the party You cannont kill the party Long Live The Party I want to have a party You cannont kill the party cannont kill the party cannont kill the party cannont kill the party Long Live the Party Do you care, what you are? Where's your pride? We don't know But we dont wonder why I want to have a party You cannont kill the party You cannont kill the party You cannont kill the party Long Live The Party I want to have a party You cannont kill the party You cannont kill the party You cannont kill the party Long Live The Party The conquest will survive The more that you can give it, then the more it will be And if you do not have it, you can take it from me All we ever wanted was a thing to believe, And now that we have found it, we have all that we need. The more that you can give it, then the more it will be And if you do not have it, you can take it from me All we ever wanted was a thing to believe, And now that we have found it, we have all that we need.

We have found our pride. Tištěno z pisnicky-akordy.cz
