

Party til You Puke

Andrew W.K.

We're not gonna die, you can never kill us
We're not gonna die, you can never hurt us
We dent, we dope, we choke, we gun
We kill, we stab, we rob, we steal
We dent, we dope, we choke, we gun
We kill, we stab, we rob, we steal
Party 'til you puke, party 'til you puke
Party 'til you puke, party 'til you puke, go
Go, go, go, go
Go, go, go, go
Go, go, go, go
Go, go, go, go
We're not gonna die, you can never kill us
We're not gonna die, you can never hurt us
We dent, we dope, we choke, we gun
We kill, we stab, we rob, we steal
We dent, we dope, we choke, we gun
We kill, we stab, we rob, we steal
Party 'til you puke, party 'til you puke
Party 'til you puke, party 'til you puke
Party 'til you puke, party 'til you puke
Party 'til you puke, party 'til you puke, go
Go, go, go, go
Go, go, go, go
Go, go, go, go
Go, go, go, go
Party 'til you puke, party 'til you puke
Party 'til you puke, party 'til you puke
Go, go, go, go
