

It's On You

Android Lust

Did I burn your hand
It's on you
Did I steal your land
It's on you
Was I talking down
It's on you
Did I hide did I run

Did you hear my speech
Oh glory
Did you see my rage
Oh glory
Do you believe in anger
Oh glory
It's the only thing that matters

We're forever apart
But the blame's on you
So I broke your heart
But the blame's on you
I know I am in denial
But the blame's on you
I see just fine through Texan blinders

I will do as I please
Oh glory
Rewrite history
Oh glory
Shout and stomp my feet
Oh glory
Show me no wound I swear I will scream

Am I causing you harm
It's on you
I've got my rich boy charm
It's on you
I'll stay or walk as I want
It's on you
damn you It's my way or no way

We're forever apart
But the blame's on you
So I broke your heart
But the blame's on you
I know I am in denial
But the blame's on you
I never cared enough to work it out
