

# Falling Down

Andru Donalds

U were the core that I built my world around  
I believed all I've planned would perfectly work out  
But u changed, my dear and u turned around, left me standing in  
the cold  
And who'll stop the rain from falling down, keeps pouring down?

[Chorus]:

I'm falling down!!! When all the worlds crashing, our love come  
s to an end  
I'm falling down!!! When all the skies tumbling, u slip right t  
hrough my hands  
I'm falling down!!! I'm losing GRIP, oh, can't u see?  
I'm falling down.....

How was I to know? Was I too blind to see?  
Now that u've gone away, dark clouds hang over me  
And the storm is raging, lightning, thunder. I'm left here in t  
he cold  
Who'll stop the rain from pouring down, keeps pouring down?

[Chorus]:

I'm falling down!!! When all the worlds crashing as our love co  
mes to an end  
I'm falling down!!! When all the skies tumbling as u slip right  
through my hands  
I'm falling down!!! I'm losing GRIP, oh, can't u see?  
Falling down,down down  
Falling down,down down  
Heehaaahaaahhh!

Falling, falling, falling down-dadadadadown  
Falling, I'm falling dadadadadown  
I'm falling down!!! When all the worlds crashing as our love co  
mes to an end  
I'm falling down!!! When all the skies tumbling as u slip right  
through my hands  
I'm falling down!!! I'm losing GRIP, oh, can't u see?  
I'm falling down!!!  
A said, a falling down aaeeaaahh  
I'm falling down, falling YEAH, falling YEAH, falling down  
I'm falling down!!! I'm losing GRIP, oh, can't u see?  
I'm falling down!!! I'm losing my reality!!!  
I'm falling down!
