

# I Believe

Andru Donalds

Ooh ooh  
I saw a magical dream  
I had a vision  
It's like I touch a ray of light  
I want to share it

Now I know what it's like  
wish with all of my heart ooh

I believe in love I feel attired  
In truth I'd want to find,  
In kindness in my heart  
I believe you're here with me to stay  
And all I have to say:  
Forever I'm your friend  
I believe  
Oh Oh mm Oh

I hold your hand in my heart  
There's no more fear  
I feel so strong in my soul  
I want to share it

Now I know what it's like  
wish with all of my heart (heart)  
ooh (ooh)

I believe in love I feel attired (I feel attired)  
In truth I'd want to find,  
In kindness in my heart  
I believe you're here with me to stay  
And all I have to say:  
Forever I'm your friend

I believe in love I feel attired  
In truth I'd want to find,  
In kindness in my heart  
I believe (and I believe) you're here (and I believe) with me t  
o stay (and I believe)  
And all I have to say (all I have to say):  
Forever I'm your friend (forever I'm your friend)  
I'll believe  
And I believe
