

Mishale

Andru Donalds

There's many a day I act free
We're oceans apart
Even though my tears have dried
There's an emptiness I feel in my heart
Come forward

Uh, from the first time that I loved you
I told you from the start
Our love would come together
If we could stand to be apart
I never mean to break to you heart, no

The days I cope without you
I feel so all alone
I see you in my dreams at night
I feel your touch so strong (So strong)
I feel your pain and tears miles away
I surrender my soul to you, dear

Love you
Love you
Love you
Love

Mishale, what am I supposed to do
Mishale, I'll never get over you
Mishale (Mishale), loving you is heaven
Missing you is hell and I need forever to be strong

No matter where I find myself
You're always on my mind (Always on my mind)
The photographs stare back at me
Reminds me that your love's deep as mine (Deep as mine)
I'm coming home to you, babe, is what I'm livin' for, yeah, yeah (Yeah)

Love you
Love you
Love you
Love

Mishale (Mishale), what am I supposed to do (Mishale)
Mishale (Oh...oh...), I'll never get over you (Mishale)
Mishale, loving you is heaven (Loving you is heaven)
Missing you is hell and I need forever to be strong, ho...oh...oh...

My swollen eyes reveal my pain
As my tears fall ???
My life's fading
I'mma just ???

Love (Love) you (You)
Love (Love) you (You)
Love (Love) you (You)
Love

Mishale, what am I supposed to do (Mishale)
Mishale (Oh...oh...), I'll never get over you (I'll never get over you)

Mishale (Mishale), loving you is heaven (Loving you's heaven)
Missing you is hell and I surrender myself to you, baby

Mishale (Oh), what am I supposed to do (What am I supposed to do)
Mishale (Oh...oh...), I'll never get over you
Mishale (Mishale), loving you is heaven (Loving you is heaven)
Missing you is hell and I need forever to be strong, oh...oh...

What am I supposed to do
Mishale (Mishale), I'll never get over you
