

Tryin' To Tell Ya

Andru Donalds

Tryin' to tell ya
Tryin' to tell ya, oh baby
Tryin' to tell ya
Tryin' to tell ya, oh baby

If I had my way
Smoke would be fire
'Cause every word that
You say speaks of desire
I would know how you feel
And you would know better
With a kiss we would seal
Our comin' together

Many days have passed thinkin' about you
My nights alone much too cold
All that I have I will give
All that I can ask is just to -

*Let me dream about you
Let me dream about you
Let me dream about you
Tryin' to tell ya I'm in love with you
Tryin' to tell ya I'm in love with you

If you ask I will come to your rescue
Never fear this thing again
This I can promise you love
You and I will make it back
My vision will guide you
What you give you'll get it back
As my love grows inside you

Don't you want to kiss me again?
I can give you, I'll let you use it at any time
Just show me in to your heart
To your soul
To the world that you know

*Repeat

SPOKEN : You're off to a good start
It's time, time to experience
A change for the better
I've tried for a long time
When she says
Tenderness to give tenderness
