

What About Me

Andru Donalds

I'm lying alone with my head on the phone
Thinking of you 'til it hurts
I know you're hurt too
But what else can we do?
Don't meant it on torn apart

I wish I could carry the smile in my heart
The times when my life seems so low
And one make me believe
What tomorrow could bring
And that they doesn't really know

Doesn't really know
I'm all out of love
I'm so lost without you
I know you were right
Believing for so long
I'm all out of love
What am I without you?
I can't be too late
To say that I was so wrong

I want you to come back and carry me home
Away from these long, lonely nights
I'm reaching for you
Are you feeling it too?
Does the feelings seem also right?

But what would you say
If I call on you now
To say that I can't hold on?
There's no easy way
It gets harder each day
Please love me or I'll be gone
I'll be gone

I'm all out of love
I'm so lost without you
I know you were right
Believing for so long
I'm all out of love
What am I without you?
I can't be too late
To say that I was so wrong
What do ya thinking of?
What do ya thinking of?
What do ya thinking of?
What do ya thinking of?

I'm all out of love
I'm so lost without you
I know you were right
Believing for so long
I'm all out of love
What am I without you?
I can't be too late
To say that I was so wrong

All out of love, baby
All out of love, girl
So out of love, baby
So out of love, baby
So out of love
I'm all out of love
Out of love, baby
Out of love, darling
All out of love
