

Don't Leave Me This Way

Andy Abraham

Don't leave me this way
I can't survive, can't stay alive
Without your love

Don't leave me this way, no
I can't exist, I'll surely miss your tender kiss
Don't leave me this way, no
Don't leave me this way, yeah
I'm a broken man with empty hands
Oh baby please, please, don't leave me this way

Aaah baby, my heart is full of love and desire for you
So come on down and do what you gotta do
You started this fire down in my soul
Now can't you see it's burning out of control
Now come on down and satisfy the need in me
Cause only your good lovin' can set me free...free free

Don't you leave me this way
Cause it would be wrong
To string along a love so true
Don't leave me this way
Don't you understand I'm at your command
Oh baby please, please don't leave me this way, yeah

Don't leave me this way
I can't survive, can't stay alive
Without your love
Don't leave me this way

Aaah baby, my heart is full of love and desire for you
Now come on down and do what you gotta do
You started this fire down in my soul
Now can't you see it's burning out of control
Now come on down and satisfy the need in me
Cause only your good lovin' can set me free
Oh baby the need in me
Aaah, I need you baby
I want you darling
I need you no no no no
I want you baby
Please, please don't go
I want you, I need you, I want you, I need you
I want you so, please don't go baby
I need you so
I need you
