Breaking Your Heart

Andy Brown

I gotta problem
Girl, your love's like a bottle
That I can't put down
I say that it's over
But I can't stay sober
When you come around

You hold on
I get weak
Like promises that I can't keep
I build you up
Let you fall
Baby, you deserve a better man

'Cause I'm no good at being lonely, lonely
I'm no good at being wrong
I'm no good at saying "sorry", sorry
I'm no good at staying strong
I'm not any good when were together I'm even worse when we're apart
Girl, I wish I wasn't
I wish I wasn't
I wish I wasn't so damn good
At breaking your heart
Oh no

When it's two in the morning
And I start calling
Baby, let it ring
When it's you that I'm missing
And I'm begging for forgiveness
Don't believe a thing

'Cause you can't fix me
You won't win
It's not your fault
The shape I'm in
Hope one day
I grow up
Before you finally had enough

'Cause I'm no good at being lonely, lonely
I'm no good at being wrong
I'm no good at saying "sorry", sorry
I'm no good at staying strong
I'm not any good when were together I'm even worse when we're apart
Girl, I wish I wasn't
I wish I wasn't
I wish I wasn't so damn good
At breaking your heart
Yeah

I'm breaking
I'm breaking
Your heart
Heart
I'm breaking
I'm breaking

```
Your heart
Heart

'Cause I'm no good at being lonely
I'm no good at being wrong
I'm no good at saying "sorry"
I'm no good at staying strong

'Cause I'm no good at being lonely, lonely
I'm no good at being wrong
I'm no good at saying "sorry", sorry
I'm no good at staying strong
I'm not any good when were together I'm even worse when we're apart
Girl, I wish I wasn't
I wish I wasn't
I wish I wasn't so damn good
At breaking your heart

'Cause I'm no good at being lonely
I'm no good at being wrong
I'm no good at saying "sorry"
```
