Come Alive

Andy Brown

You stumble through your days
Got your head hung low
Your skies' a shade of grey
Like a zombie in a maze
You're asleep inside
But you can shake awake

'Cause you're just a dead man walking
Thinking that's your only option
But you can flip the switch and brighten up your darkest day
Sun is up and the color's blinding
Take the world and redefine it
Leave behind your narrow mind
You'll never be the same

Come alive, come alive
Go and light your light
Let it burn so bright
Reaching up
To the sky
And it's open wide
You're electrified

When the world becomes a fantasy
And you're more than you could ever be
'Cause you're dreaming with your eyes wide open
And you know you can't go back again
To the world that you've been living in
'Cause you're dreaming with your eyes wide open
So, come alive!

I see it in your eyes
You believe that lie
That you need to hide your face
Afraid to step outside
So you lock the door
But don't you stay that way

No more living in those shadows
You and me, we know how that goes
'Cause once you see it, you'll never, ever be the same

You will be the light that's turning
Bottle up but keep on shining
You can prove there's more to you
You are not afraid

Come alive, come alive
Go and light your light
Let it burn so bright
Reaching up
To the sky
And it's open wide
You're electrified

When the world becomes a fantasy
And you're more than you could ever be

'Cause you're dreaming with your eyes wide open
And you know you can't go back again
To the world that you've been living in
'Cause you're dreaming with your eyes wide open
So, come alive!

Come one!
Come all!
You hear
The call
To anyone who's searching for a way to break free

Come alive, come alive
Go and light your light
Let it burn so bright
Reaching up
To the sky
And it's open wide
You're electrified

When the world becomes a fantasy
And you're more than you could ever be
'Cause you're dreaming with your eyes wide open
And you know you can't go back again
To the world that you've been living in
'Cause you're dreaming with your eyes wide open
