

# Hold On

Andy Brown

Telling lies and skipping school  
Breaking into swimming pools  
We were young, so young  
Fake ID's and alcohol  
Getting drunk at fifteen years old  
We were dumb, so dumb

Said I'd have you on my side  
No matter what I do  
You got on my bike  
And this is what I said to you

Hold on, hold on to me  
Hold on, hold on to me  
Hold on, hold on to me  
Hold on

Summer notes, summer youth  
Something changed the day I married you  
I found my way  
I rushed my breath when you were here  
Played a city that I was punching above my weight

Felt so nervous for our first dance on my two left feet  
We got on the dance floor  
And this what you said to me

Hold on, hold on to me  
Hold on, hold on to me  
Hold on, hold on to me  
Hold on to me, me, me

Three weeks, another scan  
Felt a kick right there on my hand  
It blew my mind  
Drove so fast, running reds  
Told me there's no turning back around  
Not this time

Drop the screaming, keep on breathing  
Baby's almost here  
I grabbed your hand  
And this is what I said to you

Hold on, hold on to me  
Hold on, hold on to me  
Hold on, hold on to me  
Hold on to me, me, me  
Hold on to me  
Me, me, me

Thirty years  
Growing old, still living all our dreams  
Side by side  
Together we make memories  
No regrets, I wouldn't change a thing  
And now it's goodbye

Don't you worry, I'll be back home  
Darling, close your eyes  
And one last time

Hold on, hold on to me  
Hold on, hold on to me  
Hold on, hold on to me  
Hold on

Hold on, hold on to me  
Hold on, hold on to me  
Hold on, hold on to me  
Hold on to me, me, me, me  
Hold on to me, me, me, me  
Hold on
